

# Brief Introduction of Bifeng Elementary School

Caotun Township, Nantou County, Taiwan, R.O.C.

Since April 1, 1922, the school has been granted independence as Bifeng Public School for one hundred and one years. The present principal is WEN, FU-JUNG.

## **VISION** : Wellbeing, Compassion, Accountability and Innovation

We expect our students to

- have both a healthy body and a healthy mind.
- be kind-hearted, compassionate and caring.
- have the courage to challenge their future and be accountable for it.
- make the most of digital technology to develop innovating/thinking abilities.

## **STRENGTH**

### **1. Beautiful and Spotless Surroundings**

Green spaces take up one third of the school area. The spacious playground and sports field are good to strengthen the students' physiques. All the students are required to complete a 3-kilometer run at one go before graduation.

### **2. Safe and Secure Campus**

Epidemic prevention policies by central government are strictly implemented at the school to maintain a safe and secure environment, including temperature taking and sanitizing before entering as well as frequent hand-washing. The school be attentive, the parents need no worries.

### **3. Excellent Teachers and Faculty**

The teachers at the school have abundant academic qualifications and experience, notably more than 70% have a master's/doctor's degree. All the educators are compassionate, patient, confident, sincere and creative, with extraordinary achievements in PE, language, arts and humanities, etc.

### **4. Outstanding Performance in PE Competitions**

The school takes part in a diverse of PE competitions and obtains plentiful success in tennis, taekwondo, roller-skating, track and field, Pétanque, Golf, etc., winning a variety of awards in competitions held by either the nation or Nanto County, Caotun Township and other Central Taiwan cities/counties.

## **5. Fruitful Achievements in Language Learning**

The school makes a great effort to promote language arts education and gains a series of prizes, including the MOE Great Stone School for Reading (2017), MOE Digital Reading School (2017), MOE Highlight School (2016-2019), and MOE Reading Promoter Award for Teachers (2020). Besides, the school passed the Academic Achievement Assessments held by the MOE and Nantou County with flying colors over the years, remarkably exceeding other schools in both Caotun Township and Nantou County in the average scores. Furthermore, the number of the school's students passing the National Classics Reading Competition has won the County Championships 23 years in a row, receiving awards and affirmations from the then presidents for five times. Other achievements include

- excellent results in County-wide/Town-wide language competitions in Chinese/English/Taiwanese.
- winning Best Reader/Writer Award and Reading Connoisseur Award two years in a row for the "I Love Reading" Passport Program funded by Feeling18c Foundation.
- the yearly increasing number of students winning the Book Review Contests held by Caotun Township Library, which has taken up one third of the overall winners of the contest.

## **6. Plentiful Success in Arts and Humanities**

### **3. Language Arts**

The school is dedicated in enhancing students' language ability through

- the competency-based education (CBE) in vocabulary, phrases, sentence-making, idioms, etc.
- early writing
- picture storytelling
- short prose/children's poem writing
- Chinese Character-sound & Character-form competitions
- writing/calligraphy competitions
- Chinese/Taiwanese/English reading or speaking contests
- English song/scavenger hunt/spelling contests
- holding international festival activities

It is in this way that our kids are good at both speaking and writing. Expanding the students' international perspectives also benefits from early English learning.

#### **4. Reading Education**

Modeled Sustained Silent Reading (MSSR) is carried out around the school every day and the principal took a lead to set an example, in a hope to help the students develop a habit of reading and broaden their horizons in learning.

Other reading activities include

- book author in-school storytelling, once every academic year
- “Community Mom”/“Caring Mom” in-school storytelling, once every week
- storytelling/dictionary skills/writing competitions
- Chinese Character-sound & Character-form competitions
- occasional book exhibitions about science/insects/space held jointly by the school and domestic libraries or well-known enterprises

All of these are designed to motivate students in learning and enrich their abilities in both reading and expressing.

#### **5. Writing Education**

The school also helps the students with their writing ability through

- promoting reading activities and library use
- occasional in-school book exhibitions
- book exchanges between classes
- utilizing the “Philanthropic Library”
- visiting different libraries during field trips

## FUTURE CHALLENGES

1. *Strike a beautiful balance between constant innovations and fine traditions, shaping the school into one with designated features.*
2. Go international with world-wide perspectives while caring about local cultures and issues at the same time.
3. Turn the students into lifelong learners with global mobility.
4. Guide each student/teacher to make the most of the Five Pillars of Education
  - Learning to know
  - Learning to do
